

***ACCELERATES SUCCESS**

innovationfactory.ca

WHO WE ARE

Innovation Factory is Hamilton's catalyst for tech innovation since 2011, supporting the growth of entrepreneurship and the innovation ecosystem.

WHAT WE DO

iF provides entrepreneurs with commercialization services to help bring disruptive (unique/IP) technologies to market, increase revenues, attract investment and create jobs.

We work with high-potential entrepreneurs in six sectors.

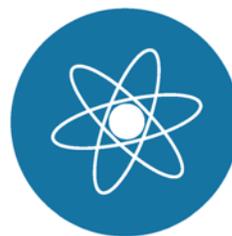

INFORMATION
TECHNOLOGY

ADVANCED
MANUFACTURING

CLEANTECH

LIFE SCIENCE

INTEGRATED
MOBILITY

SOCIAL
INNOVATION

BUT WHAT WE ACTUALLY DO

- Strategic connections
- Pitch and networking nights
- Training and workshops
- Business advisory services
- Funding identification
- Access to IP support
- Market Intelligence
- Access to mentors and expert advisors
- Women-focused programming
- Integrated transportation and mobility acceleration services

APPLY TO THE 2020 LiONS LAIR

Applicants should be...

- Past prototyping stage
- Start-up to Small- and Medium-sized Enterprises stage of their business
- Have an innovative and scalable technology/product
- Looking to build or relocate their business in the greater Hamilton area
- Within the following sectors: life science, digital media/ICT/software/hardware, advanced manufacturing, integrated mobility, cleantech and social innovations
- Find value from Innovation Factory's business services and pitch training

FREQUENTLY ASKED QUESTIONS ABOUT APPLYING

Do I have to participate in every session and event?

- YES! Attendance whether virtual or in-person, is mandatory
- Due to the COVID-19 pandemic, all events will be delivered virtually until the situation begins to improve.
- We will look to arrange in-person meetings, sessions and commitments as appropriate.

What is the general time commitment?

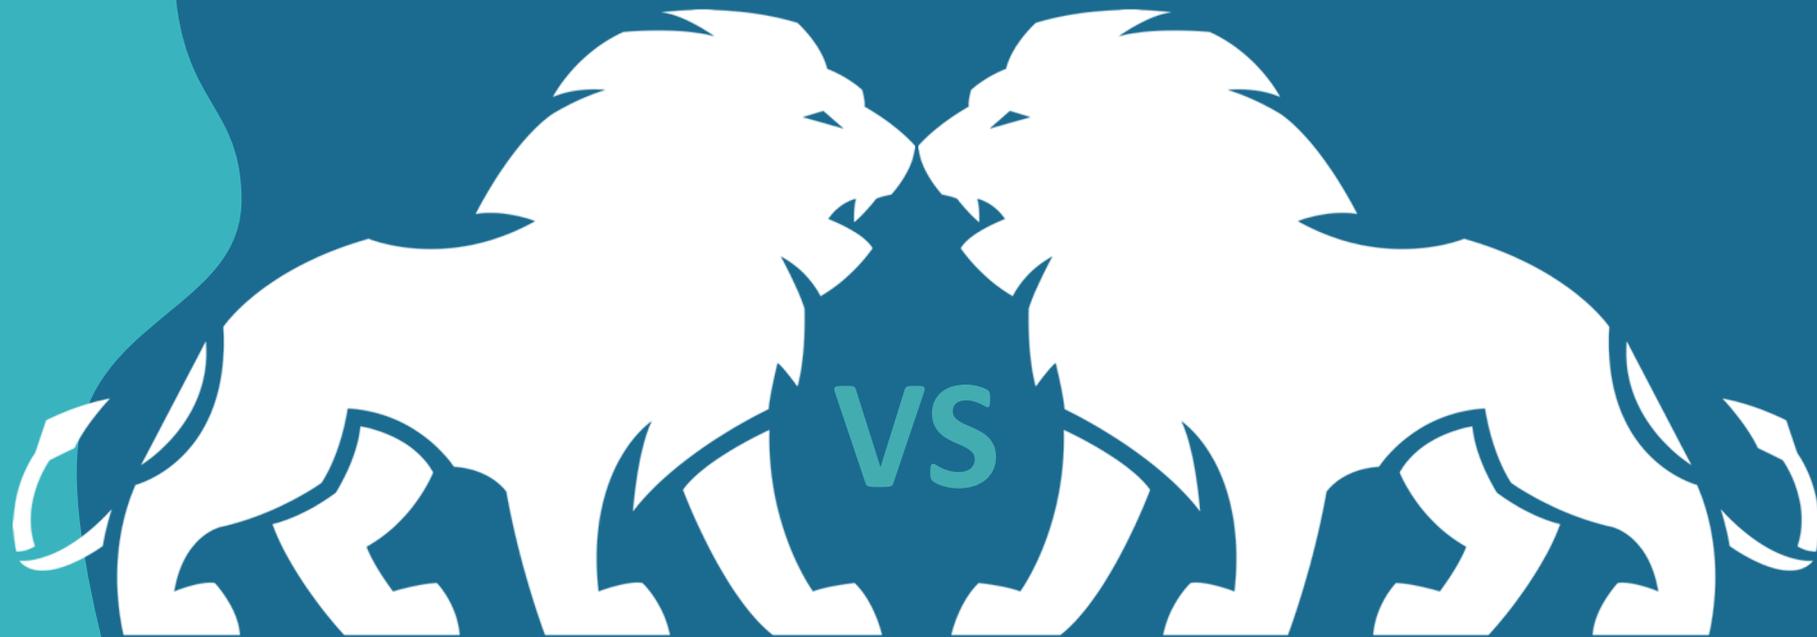

- Approximately 30 hours from June to the end of September
- Includes the events, training, coaching sessions and the LiONS LAIR Pitch Tournament
- Does not include time spent on preparing and practicing pitch presentations

FREQUENTLY ASKED QUESTIONS ABOUT APPLYING

What tips do you have for a successful application?

- Read the terms and conditions
- Follow the instructions and be sure to answer all the questions
- Record your video application and include it in the online application
- Make sure the judges understand:
 - that your innovation is solving a real problem,
 - that your solution is viable,
 - that there is a market and your customers would be willing to pay
 - that your business is scalable by describing your business model and go-to-market plans
 - that you have a team, or understand who you need to add to your team to be successful
 - what are your intellectual property plans are, and how much funding you need to raise and why
